

INDEX

Note: This is not an exhaustive list or all-encompassing work.

It is a small collection of the work I have done in the areas below to date (well, those that have been committed to writing). It is intended to help answer the question I continually receive, “where can I read about that?”

Peace – Dr. Paul Anderson

<u>SECTION</u>	<u>TOPIC</u>	<u>PAGES</u>
Section 1:	<i>Cancer Metabolism – Outcomes and Protocols</i>	
Section 2:	<i>Patient Assessment Notes</i>
